SMART accessory Owner Obligations

The SMART accessory owner is responsible for:

- the choice of SMART accessory and its suitability for purpose;
- ensuring the equipment is used in strict accordance with the manufacturer's guidelines*;
- ensuring that routine maintenance, cleaning and software updates (where applicable) are performed in accordance with the manufacturer's guidelines*;
- telephone and postal charges in contacting Steljes (if any);
- specifications and instructions given to the technical team; and
- all third party hardware and software, its performance, licences and authorisations.

* Instructions on the correct use, periodic care, routine maintenance and functionality of the SMART accessory are contained within the manufacturer's operating handbook, supplied with each SMART accessory purchased.
